General Banking Terms and Conditions

(Previously described in Product Schedule Part B: Terms & Conditions)

1. Changes to fees and charges, interest rates and terms and conditions

We may change the terms and conditions, interest rates or fees on your account.

We will give you at least 30 days prior notice (longer if we are required to by law or any code we subscribe to) if we:

- change the way we calculate interest;
- change the frequency of crediting interest;
- change the balance range to which an interest rate applies;
- increase your liability for losses in relation to transactions made using internet banking, phone banking, or staff assisted banking;
- introduce a new fee or charge; or
- increase a fee or charge.

We will tell you all other changes (including any interest rate changes to your account) no later than the day the change takes effect. We will tell you by either:

- writing to you; or
- advertising in a national or local newspaper; or
- giving you notice in another manner allowed by law.

If your account is a joint account, you agree that the first person named on the application will receive written correspondence from us. This means that only one piece of correspondence may be sent for your account.

There may be times that we don’t give advance notice of:

- the reduction or cancellation of daily limits for cash withdrawals, purchases and transfers using electronic and phone banking by you; or
- other changes to terms and conditions that are required to immediately restore or maintain the security of our systems or your account.

2. Correspondence and statements

We will provide account statements, correspondence and documents regarding your account to you.

We can send statements, correspondence and documents:

- to an address you have advised us of;
- to an address that we believe is your current postal or

residential address;

- to your nominated email address, electronic device; or
- by making information available to you on our website.

We'll send you a statement at least every six months, unless you request it to be more frequent. In the case you have an overdraft on your account your statement will be sent monthly.

You should check your statement as soon as you receive it to ensure that all transactions are correct. If there are any transactions you're unsure of please let us know immediately.

If you have a joint account, we'll send one statement noting all joint account holders to the first person named on the account or each account holder a statement. If you prefer a statement per account holder, please ask us.

You can request for a copy of a statement via internet banking at any time or by contacting us. A fee may apply.

3. Tax and your account

Any interest earned on your account must be declared to the Australian Taxation Office (ATO) for income tax purposes. Providing us with your Tax File Number (TFN) is not compulsory, but if you choose not to and you earn interest, we are required to withhold a portion of interest earned. The withholding tax rate is set by the Federal Government and may vary at any time.

Each time you open an account with us we will ask if you wish to provide your TFN, TFN exemption and if your account is a business account, your Australian Business Number (ABN).

Foreign Tax

Each time you open an account with us we will ask you whether you are a foreign resident for tax purposes, this determines whether or not you are required to lodge a tax return in another country. If so, we require your Tax Identification Number (TIN).

We provide this information to the Australian Taxation Office (ATO), and the ATO may exchange this information with other relevant foreign tax authorities.

If your residency status changes at any stage you need to inform us as soon as possible.

4. Using your account

Depending on the type of account you have opened or the instructions you gave us, your account will be used in one of the following ways:

Single or either to sign

Any use of your account can be completed by one person, including deposits, withdrawals and closing the account.

Either to sign applies when you and the other joint account owner/s do not specify that the account is more than one to sign. Ownership and responsibility of the joint account is shared equally.

More than one to sign

Authorisation is required by more than one account owner on all transactions and requests.

Debit cards cannot be linked where more than one account owner is required.

This type of operation can be decided when the account is opened or an account owner can request this at any time by contacting us.

Business operation

Business structures we can open accounts for include, but not limited to:

- Sole traders;
- Companies & Partnerships;
- Trusts;
- Self-Managed Super Funds;
- Government Bodies; and
- Clubs & Associations.

All business accounts can be operated by either to sign or more than one to sign. In the case of a Club or Association, we recommend that these accounts be operated as more than one to sign. However, this is by choice of the Club or Association members.

5. Accounts for under 18 year olds

We have two options on how you can open an account for someone under 18 years old. These are as follows:

Parent/Guardians name on behalf of the child's name

- The legal owner of the account is the Parent/Guardian, therefore they accept all liabilities and responsibilities of the account including tax obligations.
- The child who the account is on behalf of cannot access the account at any stage.
- The account will be charged the standard fees for an adult account.
- As the account is only on behalf of the child we cannot accept cheques written in the name of the child.
- Cheque books and overdraft facilities are not available.

In the child's name

- If you're younger than 13, your account can only be operated by your parent or guardian unless we receive permission for you to use it.
- The legal owner of the account is the child, however until the child is 13 years old the Parent/Guardian will be linked to the account as a signatory and accepts all liability and responsibility for the account.
- Once the child is 13 years or older we can open an account without their Parent/Guardian if we believe they understand the liabilities and responsibilities of using an account and has the option to add or remove the signatories to the account.

If you're under 18, where permitted by law, we may allow any Parent/Guardian to act on your behalf in relation to your account.

6. Appointing a signatory to your account

You can request us to allow another person to operate your account as an account signatory at any time.

A signatory can:

- sign cheques;
- make withdrawals;
- set up periodical/scheduled payments;
- set up Direct Debits;
- request Bank Cheques;
- only access the account where they have been appointed as signatory;
- have access to account statements on request which includes your address and account number; and
- access the account via online banking.

But a signatory cannot:

- change your personal details, i.e. address or contact details;
- add any further signatories;
- change the number of people to sign on the account i.e. make 2 to sign; or
- close your account.

We do not make any enquiries of a request made by a signatory and we are not liable for any loss or damage as a result of acting on a signatory instruction.

The signatory authority ends when you pass away.

7. Change of personal details

If any of your personal details change, such as your address, phone number or email address, you must let us know as soon as possible.

If you change your address where we issue statements and notices regarding your account and do not tell us, we may continue to send these to the most recent address we hold for you.

Change of name

If you change your name, you will need to provide supporting documentation including documentation that is issued by an Australian State or Territory (Registry of Births, Deaths and Marriages).

8. Inactive account

A deposit account is considered inactive after 12 months without a transaction. To reactivate an account you simply need to transact on the account.

If a deposit account has a positive balance and remains inactive after 7 years, we'll transfer the balance to the Commonwealth Government's unclaimed moneys fund. This excludes Term Deposits and account holders aged under 18 years old. You will then need to apply to have this money returned to you by applying to the Australian Securities and Investments Commission (ASIC). Visit moneysmart.gov.au for more information.

However, if your deposit account has a negative or zero balance we reserve the right to close your account.

9. Closing your account

You may close your account at any time upon request. If your account is joint, and is single or either to sign we will take instruction from one of you. To close an account please contact us.

We may close your account:

- If we believe you may be using MyState products or services to financially abuse another person and inflict financial harm.
- if we believe you have given us false or misleading information when opening your account;
- where you have failed to comply with the terms and conditions;
- if we believe you are breaching a law;
- where we believe use of your account may cause you or us loss;
- if the account is inactive, or has a negative or zero balance; or
- out of a duty of care for our staff and customers.

If we close your account we will, if appropriate give you reasonable notice of this occurring. If your account has a credit balance, we will return the money to you.

Fees for closing an account may apply.

When an account is closed you must cancel any debits or credits to the account and destroy any cards. You are liable for transactions on your account after the account is closed.

10. Overdrawing your account

Your account must have sufficient money available where you have payments set to leave your account, such as direct debits or cheques to be paid. If insufficient money is available we may overdraw your account or the payment may be dishonoured. If a payment is dishonoured, a fee may apply.

If overdrawing does occur a fee may apply and will be charged to the account on the last working day of the month.

Any transfers or deposits made to the account once overdrawn will reduce or clear the debit balance owed on the account.

11. Combining your accounts

If your account is overdrawn or you have overdue payments on a loan account and you have money in another account, we may transfer money from this account to cover the outstanding amount.

We will advise you of this occurring and this is viewable through online banking.

12. Account freezing

Account freezing means we may place a freeze on one or all of your accounts in regard to deposits or withdrawals. We may apply a freeze on part or all of your balance.

We can freeze your account if:

- we suspect someone else is accessing your money without your knowledge;
- we don't receive enough identification from you;
- we believe you are breaching a law;
- we are ordered by a court order;
- we are notified of bankruptcy;
- you have received money incorrectly or which is

currently under dispute;

- you have overdue payments on your loan account; or
- at any other time at our discretion.

You can enquire as to why your account is frozen by contacting us.

13. Fees and charges

You agree to pay all fees and charges regarding your deposit account as per the Fees and Charges for Deposit Accounts. Our fees and charges brochure sets out all fees for your deposit account and when they'll be charged.

Any failure by us to charge a fee does not imply that this fee will be waived in the future.

We may debit your accounts with any government taxes, duties or charges which may be imposed from time to time.

We will notify you in writing of the introduction or variation of a Government charge payable directly or indirectly by you, unless it is published by a government agency or representative body.

14. Visa Debit Card

Your deposit account may allow you to hold a Visa Debit Card to electronically access your account, depending on the product type. Please refer to Terms and Conditions for Visa Debit Card.

A card may also be issued to an account signatory at your request, as long as the account isn't more than one to sign.

All cards can be cancelled at any time.

15. Depositing cheques

If your account allows cheque deposits, it is at our discretion as to whether we accept it.

All cheques deposited are subject to clearance days, we will advise you of what the clearance days are at the time of your deposit.

Australian dollar cheques

Australian Dollar cheques typically take 3 to 7 working days to clear into your account. Always check your balance to confirm the money has cleared prior to attempting to spend the money received from a cheque deposit.

A cheque can still be dishonoured after 7 working days, if this occurs and it overdraws your account you are responsible for this overdrawn balance.

We may not accept cheques which are more than 15 months old or are post-dated.

We are not liable for deposited cheques that are dishonoured by the drawees bank's individual terms and conditions. If this occurs, fees will apply.

Foreign currency cheques

Foreign cheque deposits are repurchased via Convera Australia Pty Ltd. (Convera)

All foreign currency cheques are subject to acceptance and we or Convera may choose not to accept any cheque, at any time. Examples of this would be if the cheque was more than three (3) months old, or if it was post-dated. Items negotiated through us are not valid until they have been received and checked by Convera. If the cheque is refused, it will be returned to you.

When you deposit a foreign currency cheque to your account you cannot withdraw against the cheque until it has been cleared. It takes a minimum of 45 working days to clear a foreign currency cheque. This is not a warranty or a representation by us that after 45 working days you can safely regard the cheque as having been honoured. Funds may be subject to dishonour after this clearance period has passed.

If a cheque is dishonoured (even after 45 working days) putting your account into debit or exceeding any credit limit you might have, you are responsible for bringing the account back into credit or under the credit limit.

Foreign currency cheques will be processed on a negotiated basis converted at an exchange rate calculated by Convera provided at the time of deposit and subject to clearance periods.

Always check your balance to confirm the money has cleared prior to spending the money received from a foreign cheque deposit.

Foreign currency cheques must be written out to the same name as the account the cheque is being deposited to, and the foreign currency type must match the country that the cheque is issued from eg. A US dollar cheque must be drawn from a US bank.

Fees may apply.

16. Special clearance of cheque

If you would like a cheque cleared quickly into your account you can request special clearance. This must be requested at the time you deposit the cheque.

This service is not offered on cheque deposits made via Bank@Post.

When we request special clearance we request early clearance from the bank where the cheque originated from. We cannot promise that requesting special clearance on your cheque will be completed any sooner than standard clearance days.

Fees may apply.

17. Bank@Post deposit

Deposits can be made at any Australia Post outlet throughout Australia, where the outlet accepts them and your product type allows. Deposit limits may apply.

To make deposits via this channel you must have a Visa Debit Card which requires the PIN to be entered.

Money from any cheque deposits will not be available until the cheque has cleared, this may take 7 working days.

This is not a guarantee that after 7 days you can safely regard the cheque as having been honoured.

18. Direct credits

Your account may allow for direct credits to be received, refer to the product specific section of this booklet to confirm whether your account is eligible. You can alter or cancel existing direct credit authorities at any time by advising the crediting organisation.

Direct credits to accounts may be returned to the sending bank if:

- the money is recalled by the sending bank as you weren't the intended recipient; or
- transfer details are invalid or have been made in error.

We do not accept liability for a direct credit being returned due to an incorrect account number by the sending bank. We may

reverse a direct credit without your consent if we for any reason do not believe you are the rightful recipient.

The account name does not form part of the payment instructions and the name will be disregarded in receiving or sending a direct credit.

Fees may apply.

19. Sweep facility

New Sweep facilities are not available.

The Sweep Facility is an automated transfer to move money between your nominated accounts to maintain a minimum balance of at least \$500.

If your balance at the end of any working day is below the minimum balance, we will automatically transfer the amount required from the nominated account as long as there is sufficient money available in the nominated account.

This automatic transfer may not be activated due to the debit of fees and charges including government taxes. It is your responsibility to ensure that money is available as we do not accept responsibility or liability should we refuse to make such a transfer.

You can cancel this request at any time by contacting us.

20. Electronic withdrawals

An electronic withdrawal is a withdrawal using the card linked to your account. This includes, but not limited to: ATM, EFTPOS, PayWave, Apple Pay, Google Pay, Samsung Pay, Garmin Pay, Fitbit Pay and Bank@Post. It also includes transactions completed using online banking.

Daily limits to these services and fees may apply.

21. Transaction Limits

Limits may vary at customer or account level. MyState reserves the right to change limits without notice.

Pay anyone using a BSB and account number

(standard transfer to other bank accounts)

The default daily limit is \$5,000 however you can choose to change this limit up to \$10,000 through Online Banking.

You may request a temporary limit increase. Temporary limits will only apply for the time requested and may take up to one business day to establish.

Pay anyone using a BSB and account number or PayID via Osko (on the New Payments Platform) (Osko payments)

Payments using Osko are limited to \$2,500 in total per day per customer.

This limit operates as a sub-limit of the **Pay anyone standard transfer limit**. So, if you make an Osko payment, the amount available for Pay anyone transfers that day will reduce by the same amount.

If the Pay anyone limit on your account is less than \$2,500 per day, then the limit on daily payments using Osko will be reduced to the same amount.

Cash out using Your debit card

Limit of \$1,100 per day per account including ATM operator fees. This includes cash out at ATMs, Bank@Post and EFTPOS.

Other limits may be applied by the ATM operator, Bank@Post

outlet or a merchant.

Purchases using Visa Debit Card

Limit of \$1,000 per day, per account when 'Cheque' or 'Savings' is selected.

Up to your available account balance when 'Credit' is selected.

Merchants or other providers of facilities may impose additional limits.

Purchases using Visa Debit Card

Applies to payWave purchases under \$100 where no PIN or signature is required.

For purchases of \$100 or more, simply enter your PIN or sign. Some merchants may apply a lower or higher limit and other limits may apply outside of Australia.

A temporary limit of \$200 may apply at some merchants to reduce the risk of spreading the COVID-19 virus.

Purchases using rediCard

Limit of \$1,000 per day, per account when 'Cheque' or 'Savings' is selected.

Merchants or other providers of facilities may impose additional limits.

BPAY payments

The standard BPAY limit is \$10,000 however you can contact us to discuss a different limit. We may apply a lower limit if two factor authentication is not enabled. Billers may have different minimum and maximum limits which may vary by Biller Code.

22. Branch withdrawals

If your account allows branch withdrawals.

We will request identification from you.

If we decide that the identification you provide us isn't sufficient we may decline your withdrawal request.

There may be a daily limit on the withdrawal amount, and if so we will advise you of this at the time of the withdrawal.

Fees may apply.

23. Third Party branch withdrawals

You can authorise someone, other than a signatory, to complete a one off withdrawal on your account.

At our discretion, we may allow this so long as the third party can be identified and you have authorised this to occur in writing.

24. Bank@Post withdrawals

Cash withdrawals can be made at any Australia Post outlet where the outlet accepts them and your product type allows.

Daily withdrawal limits apply.

To make withdrawals you must have a Visa Debit Card which requires the PIN to be entered.

Cheque withdrawals are not available.

Fees will apply.

25. Card Personal Identification Number (PIN)

Your PIN is your electronic signature. It allows you to access your account through, but not limited to an ATM, EFTPOS, Visa PayWave where required or Bank@Post.

Changing your PIN

If you would like to change your PIN, you can do so via online banking, or by taking your card and identification to any of our MyState Bank branches.

If you have forgotten your PIN and would like to select a new one, you can do so by taking your card and identification to any of our MyState Bank branches.

When choosing your new PIN, you must not select an obvious number, one that may be found in your purse or wallet, or one that can be guessed by someone else (such as your date of birth, your driver's licence number or any part of your customer or account number).

26. MyState Bank Corporate cheque

If your account allows you can request a corporate cheque to be drawn on your account to pay a person, business or organisation that you nominate to us.

We may refuse to complete a corporate cheque withdrawal at our discretion.

You can cancel the cheque if it has been lost or stolen by contacting us.

Fees may apply.

27. Recurring payment arrangements

You can make a Recurring Payment arrangement between you as a cardholder, and a service provider, to allow regular payments from your card number (as opposed to BSB and account number).

All changes or cancellations to this arrangement must be completed with the service provider as soon as possible prior to the next payment. Changes include where your card number or card expiry date has changed.

Closing your card will not automatically stop any further recurring payment arrangements being attempted.

Fees may apply.

28. Direct Debit arrangements

If your account allows, you can set up a direct debit which is an automatic transaction that transfers money from your account to another using your BSB and account number. This is an arrangement which you agree to with a service provider and we complete on your behalf.

We will accept all direct debits on the account, provided the amount does not exceed your available balance.

We are not liable for any loss from not acting as requested under this authority.

Fees may apply.

Cancelling your direct debit

You can request us to cancel a direct debit on your behalf. We will block the previously used details of the service provider to prevent future amounts being debited by the same service provider.

This is not always a guarantee to stop all payments in the future and is best that you also try to cancel the direct debit with the service

provider.

29. Periodical/scheduled payment arrangements

If your account allows, you can request us to complete a periodical/scheduled payment from your account on your behalf. This is a regular payment from your account to another account.

We will process all payments on the account provided the amount does not exceed your available balance or daily transaction limits. Periodical/scheduled payments include future dated or recurring BPAY payments.

All changes or cancellations of these payments must occur prior to the next payment due date.

We are not liable for any loss from not acting as requested under this authority.

Fees may apply

30. Anti-Money Laundering and Counter-Terrorism Financing (AML/CTF) Act 2006 obligations

We must follow the AML/CTF requirements when we identify you, to report certain transaction types, and ensure we identify any money laundering or terrorism financing.

So that we can meet these requirements we may:

- ask you to provide identification or any information as requested by us to provide you with a product or service, and if we do not receive this we may choose to decline your request;
- ask you to re-identify yourself by updating the identification details we hold for you;
- ask that you are acting on your own behalf in entering into any product or service provided by us, unless you have told us otherwise;
- share some or all of this information with third parties;
- delay, block, freeze or refuse a request if we believe that processing the request may breach a law in Australia or any other country; and

in Melbourne or Sydney are able to effect settlement through the Reserve Bank of Australia;

- BPAY Pty Ltd – means BPAY Pty Limited; ABN 69 079 137 518; PO Box 1083 North Sydney NSW 2059; Phone (02) 9922 3511;
- CUSCAL – means Cuscal Limited;

Security breaches

You must tell us promptly if:

- your online or phone banking has been accessed by someone other than yourself;
- you become aware of any delays or mistakes in processing your BPAY Payment;
- you did not authorise a BPAY Payment that has been made from your Account; or
- you think that you have been fraudulently persuaded to make a BPAY Payment.

Using BPAY

You acknowledge that we are not required to process a BPAY Payment if you do not give us all the information needed or if any of the information you give us is inaccurate.

We will debit the amount of each BPAY Payment and any applicable fees to your account from which the relevant BPAY Payment is made.

If you instruct us to make any BPAY Payment, but close your account to be debited before the BPAY Payment is processed, you will remain liable for any dishonour fees incurred in respect of that BPAY Payment.

You acknowledge that third party organisations (such as Billers or other financial institutions) may impose additional restrictions on your access to use BPAY.

You acknowledge that the receipt by a Biller of a mistaken payment does not or will not constitute under any circumstances part or whole satisfaction of any underlying debt owed between you and that Biller.

Processing of BPAY payments

Once a BPAY Payment request has been made using valid details, it is irreversible except for future-dated/scheduled payments.

You should notify us immediately if you think that you have made a mistake when making a BPAY Payment or if you did not authorise a BPAY Payment that has been made from your account.

A BPAY Payment is treated as received by the Biller to whom it is sent:

- on the date you request us to make it, if we receive your request by the Cut Off Time on a Banking Business Day; or
- on the next Banking Business Day after you request us to make it.

A delay may occur processing a BPAY Payment if:

- there is a public or bank holiday on the day after you instruct us to make the BPAY Payment;

- you tell us to make a BPAY Payment on a day which is not a Banking Business Day or after the Cut Off Time on a Banking Business Day; or
- a Biller, or another financial institution participating in BPAY, does not comply with its BPAY obligations.

If we are advised that your payment cannot be processed by a Biller, we will:

- advise you of this;
- credit your Account with the amount of the BPAY Payment; and
- take all reasonable steps to assist you in making the BPAY Payment as quickly as possible.

You must be careful to ensure you tell us the correct amount you wish to pay. If you make a BPAY Payment and later discover that:

- the amount you paid was greater than the amount you needed to pay, you must contact the Biller to obtain a refund of the excess; or
- the amount you paid was less than the amount you needed to pay, you can make another BPAY Payment for the difference between the amount you actually paid and the amount you needed to pay.

Future-dated/recurring payments

You may arrange BPAY Payments in advance of the time for payment. If you use this option you should be aware that:

- you are responsible for maintaining enough money to cover all future-dated or recurring BPAY Payments (and any other debits) on the day(s) you have nominated for payment or, if the account is a credit facility, there must be sufficient available credit for that purpose;
- if there is insufficient money, the BPAY Payment will not be made and you may be charged a dishonour fee;
- you are responsible for checking your account to make sure the future-dated or recurring payment is made correctly;
- you should contact us if there are any questions or problems with your future-dated or recurring BPAY payment; and
- if you wish to delete a future-dated or recurring payment you must do so prior to the due date. You cannot stop the BPAY Payment on or after that date.

BPAY transaction limits

We may limit the amount of BPAY Payments you may make on any one day.

If at any time BPAY will allow transactions other than bill payments to be processed through BPAY, we will advise you accordingly.

Standard transaction limits re outlined in section 21 General Banking Terms and Conditions.

Refusing BPAY payment directions

You acknowledge and agree that:

- we may refuse, for any reason, to complete a BPAY payment you request us made via BPAY; and
- we are not liable to you or any other person for any

loss or damage which you or that other person may suffer as a result of such refusal.

Reversals and chargebacks

No chargebacks or reversals will be provided through the BPAY scheme where you have a dispute with the Biller about any goods or services you may have agreed to acquire from the Biller including where the merchant may have failed to deliver the goods and services to you.

Consequential damage

If this sub-clause is inconsistent with any applicable law or code or practice, then it will only apply to the extent that it is not inconsistent.

If you act fraudulently or negligently or if you do not meet your obligations under the BPAY Terms and Conditions then you agree that you indemnify us against any financial loss including for any action taken against us.

If you notice an unauthorised transaction on your account, then you should provide us with written consent addressed to the biller permitting us to obtain information. If you don't provide this, then the Biller may not be permitted under law to disclose it.

Notwithstanding any of the above provisions your liability will not exceed your liability under the ePayments Code.

If we fail to observe these procedures or the requirements of the ePayments Code when we allocate liability, conduct the investigation or communicate the reasons for our decision and our failure prejudices the outcome of the investigation or causes unreasonable delay in its resolution, we will be liable for part or all of the amount of the disputed payment.

Changes to terms and conditions

We may change these BPAY Terms and Conditions and BPAY fees and charges from time to time.

Refer to Section Notices and Statements and Section Changes to Fees and Charges, Interest Rates and Terms and Conditions.

BPAY is owned and operated by third parties. If the rules and regulations of BPAY require that these Terms and Conditions be changed, in any way at any time, (including without prior or full notice to you) then we have the right to change these Terms and Conditions accordingly.

Cancellation of BPAY access

You may cancel your access to BPAY only by cancelling your access to Phone and online banking. You may cancel your access at any time by contacting us.

We may cancel your access to BPAY for any reason by giving you 30 days' notice. The notice does not have to specify the reasons for cancellation.

Your access to BPAY will be terminated when:

- we notify you that your online or phone banking has been cancelled; or
- you close the last of your accounts with us which has BPAY access.

Privacy

We collect personal information about you for the purposes of providing our products and services to you and for processing your BPAY Payments.

If you register to use BPAY we may disclose your personal and transactional information to other participants in BPAY in order to execute your instructions, including:

- Billers nominated by you;
- BPAY Pty Ltd and any agent appointed to it from time to time, including Cardlink Services Limited who provides the electronic systems to implement BPAY; and
- CUSCAL.

If your personal information is not disclosed to BPAY Pty Ltd or its agent, it will not be possible to process your BPAY Payment.

Miscellaneous

These Terms and Conditions govern your BPAY access to any of your Accounts with us. Each transaction on an Account is also governed by the Terms and Conditions to which that Account is subject. These Terms and Conditions should be read in conjunction with the Terms and Conditions applicable to your Account and Access Method. To the extent of any inconsistency between these BPAY Terms and Conditions and the terms applicable to any of your Accounts or Access Methods these BPAY Terms and Conditions will prevail.

When you ask, we will give you general information about the rights and obligations that may arise out of your relationship with us.

9. Osko

We subscribe to Osko under the BPAY Scheme. We offer the Service 1 Payment which allows you to make and receive Osko payments in near real time. We offer Osko payments through online banking if your product type allows. Osko can be used to transfer to and receive money from other PayID and Osko enabled accounts within Australia.

We will tell you if, for any reason, we are no longer able to offer you Osko. If we are no longer able to offer you Osko, you will not be able to send or receive Osko payments through us.

How to use Osko

When you request an Osko Payment you must tell us the PayID or the BSB and account number your payment is to be directed to, the amount to be paid and the account from which the amount is to be paid.

You acknowledge that we are not required to complete an Osko payment if you do not give us all the information required or if any of the information you give us is inaccurate.

We will debit the value of each Osko payment and any applicable fees to the account from which the Osko payment is made.

If you request us to make any Osko payment, but close the account to be debited before the Osko payment is processed, you will remain liable for any dishonour fees incurred in respect of that Osko payment.

You acknowledge that third party organisations (such as other financial institutions) may impose additional restrictions on your access to and use of Osko.

You acknowledge that the receipt by a payee of a mistaken or incorrect payment does not mean that under any circumstances part or whole satisfaction of any underlying debt owed between you and that payee.

Transaction limits

We may limit the value of Osko payments you can make on any one day. These limits may be different from limits that apply to other payment types.

Standard transaction limits are outlined in section 21 General Banking Terms and Conditions.

PayID

Making and Receiving Osko Payments using PayID

- When you direct an Osko payment or payment request to a PayID connected to a joint account, other account holders may be able to see the messages and notifications associated with the payment or payment request;
- Similarly, depending on the settings you choose for your PayID, other account holders may be able to see messages and notifications associated with payments and payment requests addressed to your PayID;
- When initiating a transaction, you might direct the transaction to an incorrect account if you get a PayID wrong. To avoid this, we will ask you to verify that you have the right PayID. We will do this by presenting you with the associated PayID name as an additional confirmation of the intended recipient before you submit a transaction;
- Where we and the sending financial institution determine that an Osko payment made to your account is either a Mistaken Payment or a Misdirected Payment, we may, without your consent, and subject to complying with any other applicable terms and conditions, deduct from your account an amount equal to that Mistaken Payment or Misdirected Payment. We will notify you if this occurs.

Privacy

In order to provide you with the services under Osko, we may need to disclose and retain certain information relating to PayIDs you use. For example we may retain information relating to PayIDs you provide us in order to facilitate scheduled payments.

Our Privacy Policy outlines how we deal with your personal information, including the purpose for which we collect, hold, use and disclose your personal information, as well as our legal obligations and rights as to that information.

Eligibility requirements

To make or receive an Osko payment you must have an eligible account and an active online banking service with two factor authentication enabled with us.

How Service 1 Payment works

An Osko payment instruction is irreversible except for future-dated payments.

You should notify us immediately if you think that you have made a mistake when making an Osko payment or if you did not authorise an Osko payment that has been made from your account.

An Osko payment is treated as received by the person to whom it is sent on the date you request it, however the Osko payment may take longer to be credited to a person if another participant in Osko does not process an Osko payment as soon as they receive it.

If we are advised that your payment cannot be processed we will:

- advise you of this;
- credit your account with the amount of the Osko payment; and
- take all reasonable steps to assist you in making the Osko payment as quickly as possible.

You must be careful to make sure you tell us the correct amount you wish to pay. If you make an Osko payment and later discover that:

- the amount you paid was greater than the amount you needed to pay, you must contact the payee to obtain a refund of the excess; or
- the amount you paid was less than the amount you needed to pay, you can make another Osko payment for the difference between the amount you actually paid and the amount you needed to pay.

Future-dated/recurring payments

You may arrange Osko payments in advance of the time for payment. If you use this option you should be aware that:

- You are responsible for maintaining sufficient money to cover all future-dated or recurring Osko payments (and any other debits) on the day(s) you have nominated for payment or, if the account is a credit facility, there must be sufficient available credit for that purpose;
- If there is insufficient cleared money the Osko payment will not be made and you may be charged a dishonour fee;
- You are responsible for checking your account to make sure the future-dated or recurring payment is made correctly;
- You should call us if there are any questions or problems with your future-dated or recurring Osko payment;
- If you wish to delete a future-dated or recurring payment you must do so prior to the due date. You cannot stop the Osko payment on or after that date.

Payment Directions

You must give us the information required when you send us a payment direction. We will then debit the account you specify with the amount of that Osko payment on the date requested;

Subject to applicable laws, including where applicable the ePayments Code, we will treat your request to make an Osko payment as valid if you provide us with the following information:

- the amount of the Osko payment; and
- if you elect:
 - not to use PayID, the details of the persons account(s) to be credited with the amount of the Osko payment; or
 - if you elect to use PayID, the persons PayID.

You should ensure that all information you provide in relation to an Osko payment is correct as we will not be able to cancel an Osko payment once it has been processed.

Fees and charges

You agree to pay any fees and charges determined by us for

using the Osko service.

Payment disputes and investigations

We will keep you informed of the progress of all disputes and investigations. However we may not notify you or keep you informed of certain investigations and disputes where we reasonably determine that doing so will, or is likely to, compromise the integrity of the investigation or Osko more broadly.

Mistaken Osko Payments

Our approach is outlined in Section Mistaken Payments.

Notifications

Unless there is a dispute or investigation regarding an Osko payment, we will inform you by a transaction listing available in online banking when:

- we confirm and validate each payment request you give us;
- a Transaction you have initiated:
 - is successfully completed; or
 - fails for any reason; and
- an Osko payment has been deposited into your account;
- You may also, at any time, access a record of all transactions which you have been involved with via a transaction listing or eStatement in online banking.

Suspension and termination

Termination for convenience by you

- You may elect not to use Osko by selecting an alternative payment method in Internet or Mobile Banking, for example BPAY or a regular transfer.

Suspensions and terminations for your default

- We may suspend or terminate your participation in Osko if:
 - we suspect that you, or someone acting on your behalf, is being fraudulent;
 - we suspect that you are using Osko in a manner that will or is likely to affect our ability to continue providing Osko to you or our other customers;
 - you breach an obligation under these term and where we request you remedy the breach within 20 Business Days, you don't do so;
 - you breach any obligation under these terms and conditions which is incapable of remedy; and
 - you suffer an insolvency event.

Other suspension or termination events

- We may immediately terminate and/or suspend your participation in Osko by notifying you:
 - if our membership to the Scheme or our subscription to Osko is suspended, ceases or is cancelled; and

- for any reason by giving you 30 days' notice. The notice does not have to specify the reasons for cancellations.

Consequences of termination

- Termination or suspension of your right to use Osko does not:

Making and Receiving NPP Payments using PayID

PayID is the NPP Payment addressing service that enables payers to make NPP Payments to payees using an alternative identifier instead of a BSB and Account number. We enable most – but not all – PayID <Types> to be used to create PayIDs.

Before you can use your PayID to receive NPP Payments to your account, you have to satisfy us that you either own or have the authority to use your chosen PayID and you have to have an eligible account.

Whether you choose to create a PayID for your account or not, you and each User you have authorised to operate your account,

may use a payee's PayID to make particular types of NPP Payments to them from your account provided that:

- we and the payee's financial institution support the particular NPP Payment service; and
- the payee's account is eligible to receive the particular NPP Payment.

Choosing a PayID and PayID Name

You can review the full list of PayID <Types> we support at mystate.com.au We may update this list from time to time.

You may create a PayID as long as it is a supported PayID <Type>. Some PayID <Types>, for example Australian Business Numbers (ABN) and Australian Company Numbers (ACN), are restricted to business customers and organisations. Only eligible customers will be able to register a PayID that is a restricted PayID <Type>.

You must satisfy us that you own or have the authority to use your chosen PayID before you can use it to receive NPP Payments. This means we may ask you to provide evidence to establish this to our satisfaction, whether you are already registered for any other mobile banking or online banking or online payment services with us or not.

Depending on the policy of a payer's financial institution, your PayID Name may be displayed to payers who send NPP Payments to you. At the same time you create your PayID, we will either:

- issue you a PayID Name; or
- enable you to select your own PayID Name, such as your business name.

We will not permit selection of a PayID Name that we consider could mislead or deceive a payer into sending you NPP Payments intended for another payee.

Creating your PayID

You can create a personal PayID for receiving NPP Payments at mystate.com.au. You can create a business PayID (eg. ACN or ABN) for receiving NPP Payments at one of our branches. We will not create a PayID for you without your prior consent.
